## 1. Qualification System

---

The Reform of Road Cycling, which entered into force on January 1, involved a modification of the qualification system for the Men Elite Road Race of the World Championships (see rules excerpt below).

Concerning the Men under-23 Road Race, the participation of nations remains unchanged. However, riders in this age group who belong to a UCI ProTeam are qualified ipso facto "elite" (art. 1.1.036).

For Elite Women, as well as for all time trials, the maximum number of participants is the same for all National Federations.

**Extract from the UCI Regulations (Chapter IX - World Championships)**

**Selection of participants**

Chapter ORGANISATION OF WORLD CHAMPIONSHIPS

1 General

9.2.001 National Federations shall select riders to participate in World Championships.

9.2.002 **A rider against whom an investigation was opened in relation to a fact which may cause a breach of the UCI Anti-Doping Rules, will not be eligible for the World Championships or is not authorised to participate to the World Championships until the end of the suspension or until his definitive acquittal. In the event of a positive A Sample, this clause applies starting from the notification of the abnormal analysis result to the rider.**

**Unless otherwise decided by the anti-doping commission, the above paragraph is also applicable in the event of an investigation or a procedure regarding such a fact, opened in pursuance of a law or other regulation.**

**Specific cases are examined by the anti-doping commission or its president. Their decision is without appeal.**

**In addition to the disqualification, the licensee and his national federation will be respectively sanctioned by a fine of CHF 2000 to CHF 10000.**

**The present condition for participation, aims to protect the integrity, serenity and reputation of the World Championships. Its application does not prejudge the decision whether an anti-doping violation has occurred and shall not give rise to any claim in the events of acquittal.**

9.2.004 The enrolment shall reach the UCI at the latest within the following deadlines:
